

AHA BJCP Support Agreement 2014

The American Homebrewers Association (AHA) will provide the following administrative support for the Beer Judge Certification Program (BJCP) to commence in February 2014:

- Receive exam materials from exam sites
- Scan exam materials and post files to file sharing folder to allow graders access to electronic exam materials
- Posting of exam materials is expected to happen within 1-2 business days of receiving the mailed hard copies

In addition, the AHA will provide the BJCP with up to \$4000 in travel expenses in 2014 for exam grader training.

The purpose of the support provided to the BJCP is to increase the BJCP's capacity for holding judge exams, and thus generating more BJCP judges each year. The expectation is that the additional administrative support, once in place, would allow for at least two additional exams per month (from 10/month to 12/month in 2014).

This agreement will remain in place through December 31, 2014 at which time it will automatically be renewed through the following calendar year and every subsequent year until both parties agree to a modification of the agreement or either party notifies the other of the intent to terminate the agreement. Both the AHA and BJCP agree to give the other party at least six months' notice prior to termination of the agreement.
